2.Octroi. The Government regret to observe that Budget statements No.1 have not been prepared correctly. Instead of showing the actuals of the second half of 1900-01 as the probable collections of the second half of the following year in column 4 of the statement in accordance with instructions given in Official Memo No.6861-70/157 dated 8th December 1889, the difference between the sanctioned estimate for 1901-02 and the actuals of the first half of 1900-01 is entered. This has led to the adoption of erroneous estimates under this head in the President's Office.

The necessary corrections will be made in this Office and the estimates revised as shown below :-

3.11.Tax on houses and Vll Mohatarfa

The increased estimates under House and Shop taxes" in Shimoga and Honnalli and under "House or Shop tax" in ~~Shikarpur,~~ Kumsi and Holehonnur are stated to have been based on the Jamabandi accounts of 1900-01 and in Shimoga they include also arrears of previous years expected to be collected during 1902-03. The estimates are passed with the observation that the large decrease under "Cart tax" in Shimoga should have been explained.

4.Vlll Rents (c) Markets. In Shimoga the increase under this head is supported by the actuals (Rs.543) realized in the 1sthalf of the year 1901-02 against Rs.256 realized during the whole year 1900-01. The estimate will be retained, but it should be explained how and from what source the collections in 6 months of the ~~current~~ year 1901-2 were more than double of those realized in 12 months of 1900-01.

5.X.Miscellaneous. The large decrease under "Sale of lands" in the budgets of Shimoga, Honnalli, Tirthhally and Siralcoppa, which is not explained in the remarks column of the Budget statement, is probably due to there being less demand for house sites in the towns, but the reason

for

for the decr ase under Cattle Pounds in Kumsi, Honnalli, Kallurkatte, Holehonnur and Siralkoppa should be explained. It is noted that under the head "Sale of manure" there is a considerable falling off of revenue in Kumsi and Honnalli and that no estimates ~~tes~~ are entered in the Nagar, Benkipur and Holehonnur Budgets while the revenue expected in other Municipalities is insignificant. The President is requested to enforce strict supervision and develop this important source of revenue in all the Municipalities in the District and report the result for the information of Government.

6. The new estimate of Rs.240 entered under "M.Contribution" in the Budget of Shimoga is the amount expected fromthe Forest Department in accordance with Proceedings No.11738/L.F.35-98 dated 16 January 1902.

7. Opening Balance. In lieu of the rough estimates proposed under this head correct figures as noted in the margin will be adopted

Note The Dewan has directed a report on this should be brought up when the next Budget comes for discussion

8. Collection (a) Octroi. The provision made in the budget ~~in the~~ of Shiga on account of Octroi collection establishment is in accordance with Govt. Pro. No.11738-40/L.F.35-98 dated 16th January 1902 and is allowed to stand, but the report called for by Govt. ~~has~~ not

should be submitted - not ~~been received~~. Pending ~~the~~ submission of such report and the final order of Government thereon, no expenditure on account of establishment should be incurred. As no provisions have been made for the remuneration of village servants for collecting the duty, 5 per cent commission on Octroi collections will be provided in the marginally noted Municipalities where no separate establishments are maintained.

	Total Octroi	Commission at 5%

Nyamti	Rs 460	Rs 23

9.111.Collection (b) House and Mohatarfa taxes. The new provisions made in the budgets of the marginally noted Municipalities, Nos 1 to 6, for collecting House and Mohatarfa taxes as also the usual provisions made in the Municipalities Nos 7 to 12 range between 5.5 and 22.4 per cent as shown against each. The cause of this large disparity as also the absence of any provision in the budget of Nagar should be explained with a report as to whether in the event of Shanbhogs and Patels collecting these taxes a uniform rate of 2 per cent is not enough and whether the monthly allowance of Rs.5 to the Gumasta of the Shimoga Taluk for the additional work devolving on him in connection with the collection of arrears sanctioned in Proceedings No. 9309-10/L.F.21-01 dated 16 December 1901 may not be discontinued with effect from 1st July 1902. provisions will stand.

10.Vll.Lighting. Notwithstanding the fact that Nagar makes no provision for Public Works, there is ~~is~~ a deficit of Rs.165. To wipe off this debit balances the usual allotment of Rs.150 made for lighting will be struck out with the observation that the Board must either develop thew sources of revenue or discontinue the arrangements for lighting the town, as the ~~fire~~ fixed charges alone, excluding any provision for Public works exceed its income by Rs.61.

	1901-02 No - Rate - Cost	1902-03 No - Rate - Cost
Honnalli	25 - 1 - 300	27 - 1 - 324
Thirthalli	25 - 1 - 300	28 - 1 - 336

In the Municipalities of Honnalli and Thirthalli a larger numoer of lights is proposed to be lit in 1902-03, than in the current year. This accounts for the increase under this head, which is approved.

11.Vlll.Public Works (a) Supervision

No provision has been madein the budget of Thirthalli for supervisioncharges while that entered in the budgets of Chennagiri is in excess of the usual scale of 10 per cent on the cost of works. A sum of Rs.60 will be entered in the former budget, the latter being reduced from Rs 110 to Rs ~~XXX~~ 105.

12.Vlll.P.W.(b) to (o) works. Including the provisions (725) made for cattle pound repairs under X1 Miscellaneous, which should properly appear under this head, the allotments

for

for Public works aggregate Rs.16360 of which Rs.2225 including Rs.15 under "Supervision" will be disallowed in the budgets of Shimoga and Honnali as shown below, owing to the insufficiency of funds and the rest passed subject to the submission of estimates for works costing Rs.500 and upwards.

14.XI.Miscellaneous (c) Cattle pounds

Excluding the sum of Rs.725 for pound repairs transferred to VIII Public Works in para 12 supra, the provision under cattle pounds will be reduced and passed for Rs.691.

Owing

14. Owing to the paucity of funds, the provision made for rewards to dog and snake killers in the Budget of Honnalli will be reduced from Rs.50 to Rs.25 and the sum provided for this purpose and for other items in Nagar will be struck out altogether.

15. The other items call for no remarks and are passed.

16. The budget estimates of receipts and expenditure of the several Municipalities in the Shimoga District for 1902-03 are sanctioned as shown hereunder. The usual particulars are appended.

2. *I Octroi.*—The Government regret to observe that budget statements No. 1 have not been correctly prepared. Instead of showing the actuals of the second half of 1900-01, as the probable collections of the second half of the following year in column 4 of the statement in accordance with instructions given in Official Memo No. 6861-70—157, dated the 8th December 1889, the difference between the sanctioned estimate for 1901-02, and the actuals of the first half of 1901-02, is entered. This has led to the adoption of erroneous estimates under this head in the President's Office. Necessary corrections will be made in this office and the estimates revised as shown below :—

3. *II Tax on houses, and VII Mohatarfa.*—The increased estimates under "house and shop taxes" in Shimoga and Honnali, and under "house or shop tax" in Kumsi and Holehonnur are stated to have been based on the Jamabandi accounts of 1900-01, and in Shimoga. they include also arrears of previous years expected to be collected during 1902-03. The estimates are passed with the observation that the large decrease under "cart tax" in Shimoga should have been explained.

4. *VIII Rents, (c) Markets.*—In Shimoga the increase under this head is supported by the actuals (Rs. 543) realized in the first half of the year 1901-02, against Rs. 256 realized during the whole year 1900-01. The estimate will be retained, but it should be explained how and from what source the collections in 6 months of 1901-02 were more than double of those realized in 12 months of 1900-01.

5. *X Miscellaneous.*—The large decrease under "sale of lands" in the budgets of Shimoga, Honnali, Tirthahalli and Siralkoppa, which is not explained in the remarks column of the Budget Statement No. 1, is probably due to there being less demand

for house sites in the towns, but the reason for the decrease under "cattle pounds" in Kumsi, Honnali, Kallurkatte, Holehonnur and Siralkoppa should be explained. It is noted that under the head "sale of manure," there is a considerable falling off of revenue in Kumsi and Honnali and that no estimates are entered in the Nagar, Benkipur and Holehonnur Budgets, while the revenue expected in other Municipalities is insignificant. The President is requested to enforce strict supervision and develop this important source of revenue in all the Municipalities in the district and report the result for the information of Government.

6. The new estimate of Rs. 240, entered under "(m) Contribution" in the budget of Shimoga is the amount expected from the Forest Department, in accordance with Proceedings No. 11738 – L. F. 35-98, dated the 16th January 1902.

7. *Opening balance.*—In lieu of the rough estimates proposed under this head correct figures as noted below will be adopted :—

EXPENDITURE.

8. *Collection.* (*a*) *Octroi.*—The provision made in the budget of Shimoga on account of Octroi collection establishment is in accordance with Government Proceedings No. 11738-40—L. F. 35-98, dated the 16th January 1902, and is allowed to stand, pending the issue of final order of Government on the President's report recently received. As no provisions have been made for the remuneration of village servants for collecting the duty, 5 per cent commission on Octroi collections will be provided in the marginally noted Municipalities, where no separate establishments are maintained.

	Total Octroi.	Commission at 5 per cent.

9. *III Collection, (b) House and Mohatarfa taxes.*—The new provisions made in the budgets of the marginally noted Municipalities Nos. 1 to 6, for collecting house and mohatarfa taxes, as also the usual provisions made in the Municipalities Nos. 7 to 12, range between 5·5 and 22·4 per cent as shown against each. The cause of this large disparity as also the absence of any provision in the budget of Nagar should be explained with a report as to whether, in the event of shanbhogs and patels collecting these taxes, a uniform rate of 2 per cent is not enough and whether the monthly allowance of Rs. 5 to the gumasta of the Shimoga Taluk, for the additional work devolving on him in connection with the collection of arrears sanctioned in Proceedings No. 9309-10—L. F. 21-01, dated the 16th December 1901, may not be discontinued with effect from 1st July 1902. Pending information, the provisions will stand.

10. *VII Lighting.*—Notwithstanding the fact that Nagar makes no provision for Public Works, there is a deficit of Rs. 165. To wipe off this debit balance, the usual allotment of Rs. 150, made for lighting will be struck out with the observation that the Board must either develop their sources of revenue or discontinue the arrangements for lighting the town, as the fixed charges alone excluding any provision for Public Works exceed its income by Rs. 61.

Honnali ..	25	1	300	27	1	324
Tirthahalli ...	25	1	300	28	1	336

In the Municipalities of Honnali and Tirthahalli a larger number of lights is proposed to be lit in 1902-03, than in the past year. This accounts for the increase under this head, which is approved.

11. *VIII Public Works, (a) Supervision.*—No provision has been made in the budget of Tirthahalli for supervision charges, while that entered in the budgets of Channagiri is in excess of the usual scale of 10 per cent on the cost of works. A sum of Rs. 60 will be entered in the former budget, the latter being reduced from Rs. 110 to Rs. 105.

12. *VIII Public Works, (b) to (o) Works.*—Including the provision (Rs. 725) made for cattle-pound repairs under "XI Miscellaneous," which should properly appear under this head, the allotments for Public Works aggregate Rs. 16,380, of which Rs. 2,225 including Rs. 15 under "Supervision" will be disallowed in the budgets of Shimoga and Honnali as shown below, owing to the insufficiency of funds, and the rest passed subject to the submission of estimates for works costing Rs. 500 and upwards :—

13. *IX Charitable Grants.*—The provision made for charge allowance to the medical subordinate for visiting Nyamti periodically will be struck out as per Government Proceedings No. 15711-20—L. F. 144-92, dated 21st March 1902, and the total estimate reduced by Rs. 60.

14. *XI Miscellaneous, (c) Cattle-Pounds.*—Excluding the sum of Rs. 725 for pound repairs transferred to VIII Public Works in para 12 supra, the provision under cattle-pounds will be reduced and passed for Rs. 691. Owing to the paucity of funds, the provision made for rewards to dog and snake killers in the budget of Honnali will be reduced from Rs. 50 to Rs. 25 and the sum provided for this purpose and for other items in Nagar will be struck out altogether.

15. The other items call for no remarks and are passed.

16. The budget estimates of receipts and expenditure of the several Municipalities in the Shimoga District for 1902-03 are sanctioned as shown hereunder. The usual particulars are appended :—

17. Notwithstanding the reductions made in the foregoing paras, the closing balances are less than the prescribed minimum in all Municipalities other than Shimoga, Nyamti, Tirthahalli, Kumsi, Benkipur and Siralkoppa. The President is requested to take steps to maintain the usual balance by effecting savings in the sanctioned items.
